

SPONSORSHIP INFORMATION
SEPTEMBER 18 - 20, 2015

WUHACK

WUHack Dear Potential Sponsor,

wuhack.com

We invite you to sponsor **WUHack**, an annual student hackathon organized by the Upsilon Pi Epsilon computer science honorary chapter at **Washington University in St. Louis** (WashU). On September 18, 2015, over 150 top students throughout the Midwest will travel to WashU to spend the weekend creating unique software and hardware projects from scratch. Last year's WUHack was a huge success: take a look at some of last year's projects at wuhack.com/2014.

Why sponsor?

WashU is among the top 15 universities in the United States and is known for attracting some of the brightest and most motivated students from around the world. Sponsorship of WUHack is a great opportunity for your company to enhance its presence in the Midwest and recruit top students from WashU and surrounding universities. Here is what you can expect as a sponsor:

- Access to resumes and contact information of all participants and UPE members.
- Networking opportunities with some of the best student hackers in the Midwest.
- Branding on event flyers, banners, and swag to help build your company's image.
- A platform to showcase your products and APIs to hundreds of students and witness the ways in which they use your services.

A sponsorship tier list is attached and contains information about the different sponsorship levels. If you have any questions, please feel free to contact us at upe@cse.wustl.edu.

With your help, we can make WUHack the best collegiate hackathon in the Midwest. Thank you very much for your interest, and we hope to hear from you soon.

Best,
Upsilon Pi Epsilon Missouri-Eta
upe@cse.wustl.edu

Dates

5:00PM CDT September 18th, 2015 - 3:00PM CDT September 20, 2015
